^ Course must include the study of development from birth to death; more than one course may be required

The Doctor of Physical Therapy requires a series of prerequisite classes to prepare you for the program's coursework. All courses, except for Medical Terminology, must be at least three credit hours. Prerequisite coursework must be at a level for science majors and be completed with a grade of 'C' or higher. Online courses are not accepted for science courses with labs.

Additional Information:

- Completion of all or no more than one (1) prerequisite course outstanding by the application deadline and must be completed prior to the start of the program in May.
- An official course description or course syllabus may be requested to approve some courses.
- For combined Human Anatomy & Physiology classes, a full academic year curriculum is required.
- All GPAs will be calculated by PTCAS.

This form must be uploaded to PTCAS and submitted by the application deadline.
